

# 90 POINTS

## GABARDA SELECCIÓN (2015)

*"The youthful and lively 2015 Selección is a blend of Cariñena from 15% Garnacha from vines in the village of Aguarón. The destemmed grapes fermented in stainless steel in this first vintage and the wine matured in oak barrels for ten months. It has great character and a floral nose intermixed with rustic touches, very elegant and subtle. The oak is very nicely integrated and folded into the fruit, with great freshness - that's the beauty of Cariñena, the grape! It has great balance and lively, combining power and elegance."*
