ARTINGSTALL'S
BRILLIANT LONDON DRY GIN

"Created by film director and writer Paul Feig, this 84-proof spirit was recipient of a Best in Show award as well as a double gold medal at last year's Spirits Competition during the Wine & Spirits Wholesalers of America annual convention — and deservedly so. Following a well-scripted perfume of lavender, blueberries in cream, and sweet red pepper, white pepper lilt with creamy peppermint on a palate bursting with floral notes."
