Wine Water Sauvignon Blanc is a refreshing combination of pure, sparkling water and 100% Sauvignon Blanc wine produced in the heart of Bordeaux, France.

Created for active wine enthusiasts, it offers a high-quality, wine-drinking experience but in a lighter format, featuring 4.9% alcohol by volume, 69 calories, low carbohydrates, zero sugar, and absolutely nothing artificial.

Tasting Notes

Aromas of exotic fruits including pineapple and mango are featured on the nose and palate and are beautifully balanced with the effervescence of the pure, sparkling water. Simple but striking, Wine Water Sauvignon Blanc is the perfect expression of the Entre-Deux-Mers terroir in an approachable, incredibly refreshing, easy-to-enjoy presentation.
