Kuranui is an estate bottled Marlborough Sauvignon Blanc from a single vineyard in the upper Awatere Valley in Marlborough. Our label depicts the journey of this outstanding Sauvignon Blanc from grapes to wine. Named after the Maori word for Great Treasure, the rolling hills of the Awatere Valley and river terraces make up the rugged backdrop to the Kuranui vineyard. The interconnectivity between the landscape, soils and climate, create the optimal conditions for growing the Sauvignon Blanc grape vines. Kuranui celebrates this harmony between the elements, echoed by the ribbons found on the front of the label.

Tropical fruits galore with passionfruit and honeydew melon complimented with a squeeze of fresh lime. Clean palate with lively acidity.

Fermented in stainless steel tanks, the finished wine was bottled in July 2021. Pair this wine with seafood and shellfish.
