## TWO SISTERS VODKA

## DOUBLE GOLD AWARD

### “THE 50 BEST SPIRITS CONTEST”

This hand-crafted vodka is made from wheat with no additives. Two Sisters Vodka is neutral, as a vodka should be. It's imbued with the fresh, clean, crisp flavor of Springbrook Hollow water from the Adirondack Mountains. Just prior to bottling, Two Sisters Vodka is passed through a charcoal filter bed to polish the flavor and aroma, to yield a true vodka. Perfectly suited to mixing in any vodka cocktail, sipped neat or on the rocks.
