Having a limited edition item in store increases purchases, consumers view the purchase as more valuable and spend more as a result.

**People are drawn to the idea of owning something unique or rare. These items become not just products but also cherished memories.**

**Get your limited-edition** bottle for the fans of Tequila Comisario Blanco Expression, created by an authentic Jalisco born artist to celebrate the festivities of Jalisco, Mexico, the birthplace of all Tequila.

Comisario has seen a major spike in popularity among new customer segments after it recently made its way to the moon as part of the Odysseus Lander flight with SpaceX and Intuitive Machines. The only spirit in the world to travel to space.
