

94 POINTS

VINYES OCULTS MALBEC (2019)

"The 2019 Malbec Vinyes Ocults was made with grapes from the Uco Valley and aged for 12 months in used barrels. A vivid purple in hue, the simple aromas feature fresh plum with cherry, violets and country herbs complemented by notes from the aging process. Broad on the palate with gentle, rounded tannins, fruit takes the lead, lifted by a juicy freshness that brings tension and leaves the tongue thirsty for more. An attractive wine made in a novel style."
