

Saratoga Revolutionary Rum

Made from 100% non-GMO sugarcane, our Saratoga Revolutionary Rum is the third evolution of our rum portfolio and is our darkest style rum to date. Starting with our Sam Smith amber rum as a base, we carefully age and nurture the Saratoga Revolutionary Rum in smaller used bourbon casks to impart richer and darker character to this slightly dark amber rum. This rum acquires a deep amber hue from the extended time in the barrel while acquiring much deeper and fuller expression of the sugar profiles. Leaning towards the darker style of the rum spectrum, it finishes with intense notes of vanilla infused with dark caramel, honey, and oak. An exquisite dark amber rum at 86 proof, it is beautifully packaged in a colonial style bottle and then finished with a hand-dipped wax top.
