

# THE ALTON

DISTILLERY

## NEW YORK STRAIGHT RYE WHISKEY

*Rich amber color, vanilla, and maple aroma with hint of caramel, costard, and dried plums sustained by new wood, walnuts, and molasses. the spicy quintet of cinnamon, caramel, leather, clove, and nougat leads the palate loud and full while vanilla, dried fruits, and ripe banana are completing each other in the background. A clean earthy sensation add balance to a glimpse of toasted oak to give a fresh and smooth finish.*
